Amy Armenta Memorial Scholarship

Amy Armenta lived her life with great joy and passion in everything she did. She shared her talents with loving kindness with everyone she knew. Her creative ability could be seen in her paintings, stained glass, her work as a beautician and a floral designer, but especially in the hundreds of quilts she made and shared with her friends and the members of many local quilt clubs, societies, and guilds she so truly loved and enjoyed so much. Above all, Amy loved to share her quilting skills by teaching classes and workshops. In addition to OQS, Amy belonged to American Quilter's Society, Quay-Z Quilters of Tucumcari, High Plains Quilt Show Committee of Portales, Pecos Valley Quilters, and Llano Estacado Quilt Guild.

An OQS scholarship has been established in her name to be awarded to a quilter to take a regional class at the OQS Quilt Festival in Dimmitt, Texas. If you know of someone who needs help with the cost of a class, please fill out and submit this form. Nominations are due by March 15, 2023.
