

**** 2027 WINTER EXPERIENCE RETREAT ****

Our 2026 winter experience was a complete failure due to Sunset Retreat Center cancelling our retreat at the last minute. However, we have rescheduled the retreat for November 19-22, 2026. The option to add Wednesday, 11/18 is still available. Due to the proximity of our normal winter experience timeline of January, the November dates will replace the 2027 retreat.

There are several of us that will be attending in November as a rescheduled retreat. But.....there are openings for those of you that would like to join us.

Go to sunsetretreat.com and download the "Attendee Registration Form". Begin filling out the form at "Your Name" and return the form to Vickie Nelson as soon as possible so that I may track total attendance. For those that are rescheduled retreaters please complete the form as well, primarily to update your roommates.

Since this is so close to the time that everyone is paying for the Fall Retreat you will not need to pay for the November retreat until the end of October.
