

Ogallala Quilter's Society Winter Retreat 2018

February 2, 3, & 4, 2018

It's time to register for the 2018 Winter Experience. This year will be at a new location: Mercer Center in Slaton, TX! (mercyrc.com)

605 S 19th St, Slaton, TX 79364

The Winter Experience is a time when our own quilting peers share some interesting and fun techniques they have learned and want to make available to others. If you would like to participate in any or all of the workshops, just make your selection on the registration form. There is no extra charge for participating!

2018 Trunk Show

Gale Strickler of Clovis, New Mexico will present a trunk show Saturday night. Gale was probably 5 or 6 yrs old when she got her first taste of quilting. Growing up in Minnesota, there were plenty of stormy winter days when they couldn't go out and play. Her mom would give them cardboard circles templates and fabric then taught us how to make yo-yo's so they could make Jingle Bell Jack dolls.

Gale loves to try and experiment with all styles and techniques of quilting- that is why she has so many UFO's!

Hope you enjoy her trunk show!

What to Expect

The cost of this year's retreat will be \$200. This cost includes your room with bed linens, towels and meals from Friday evening through lunch on Sunday. There will be fun and visiting, great scenery and memories for the making.

If you are not already an OQS member, there will be an additional charge of \$20.

There will be no scheduled project allowing you to work on any project you would like. This is a great time to spend focused, uninterrupted time on those UFOs!

Covers Because We Care

The OQS Community project continues. These small lap quilts are used for some unfortunate children in our community. With a little time working together, we could make a difference!

If you have fabric for children and some left over batting pieces, we could each put together a quick small project that will be given at a time when these kids are in distress.

Thanks in advance for whatever you can do.

Workshops

Playing with Paintstiks by Sheryl Abdill:

We will be trying different techniques using Paintstiks, an oil base paint.

Supplies: bring an apron or wear old clothes. Paper Scissors with a good sharp point, a mechanical pencil. I will have some fabrics or bring a prewashed fat quarter- any style of fabric. If you have Paintstiks and stencil brushes you may bring them, just have them marked that they belong to you.

Making Your Own Printed Fabric with Denise Bean

Learn to build texture and layers to create your own unique fabric with block printing, transfers, thermofax printing, and transparent paints and inks. We'll also experiment with Lutrador, foil and metallic stamping. Make and entire yard or 4 fat quarters in matching colors to use in your next traditional or art quilt. Fabric will be included in kit.

Supplies: rubber kitchen gloves, an apron, and old top that you don't mind getting dirty.

Rust Dyeing with Cinde Ebeling

Learn how to create designs on fabric using rusty objects. Supplies: rusty found objects, rubber kitchen gloves, an apron, a spray bottle, a flat medium sized tray or plastic dish pan
